

Press Release

Health Department, UT Chandigarh - 30.03.2021

As per instruction received from MoHFW, GOI, COVID Vaccination Drive has been further expanded to include all persons aged 45 years and above for COVID-19 Vaccination from 1st April 2021.

The Government and Private Health Facilities administering the Vaccine are on the path to make the Vaccination drive a Success. Vaccine is available free of cost at all the Govt. Facilities & for Rs. 250 per dose in the Private Healthcare Facilities.

The citizens are requested to register on CoWIN portal using the link www.cowin.gov.in Alternatively on the spot registration facility is also available at all the COVID Vaccination Centres (CVCs). As the COVID positivity rate is increasing in the city, early vaccination by the residents will help in reducing the transmission of virus and help reducing the morbidity and mortality.

UT Health Department has already geared up to provide Vaccination Services at following Health Facilities:
